A commitment to learn Andrology and
Advanced Reconstructive Urology

DATE

28th & 29th November 2025

VENUE

AIIMS Bhubaneswar Auditorium

✉ recon2025aiims@gmail.com

WELCOME MESSAGE

Welcome to RECON 2025!

The Organising Committee of RECON 2025 requests the honour of your participation in the Andrology and Reconstructive Urology Live Operative Workshop, organised by the Department of Urology and Renal Transplant, AIIMS Bhubaneswar, in association with Temple City Oncoclub and Cancer Care and Education, Bhubaneswar. The workshop will take place on 28–29 November 2025 at the AIIMS Auditorium, Bhubaneswar, and will feature live operative demonstrations conducted by eminent urologists from across the nation.

This two-day programme will offer focused sessions on contemporary andrology and reconstructive urology techniques, hands-on learning through live surgeries, and interactive discussions with the operating faculty. Delegates are invited to attend the full programme to benefit from practical insights, evidence-based approaches, and opportunities for professional exchange.
